Communication w/ Instructors

- Announcements on course homepage
 - Your responsibility to check frequently
- Course homepage Q/A board:
 - Programming questions
- Administrative questions: pl.hanyang@gmail.com
 - TA or instructors will answer
 - seojiwon@hanyang only if you really need to communicate directly.
- Emails should be
 - Subject: [PL/Mon1] summary of your request
 - Body: include your name, student ID.

Academic Honesty

- Read the course policy carefully
 - Clearly explains how you can and cannot get/provide help on homework and projects
- Always explain any unconventional action
- I have promoted and enforced academic integrity since I was a freshman
 - Great trust with little sympathy for violations
 - Honest work is the most important feature of a university

Academic Honesty

- Read the syllabus
 - Clear expectations for academic honesty
- Always cite your sources
- I have a lot of questions as a freshman
 - Great questions
 - Honor your sources
